

# Learn to Sail at MOFSC

Level 2: Better Sailing  
Program for children over 12 years

### The boats:

Yachting Australia's Better Sailing Course use the Pacer dinghy.

This is the next course after the Start Sailing 1 and 2 course and is a pre-requisite for this course.

Children should have more confidence sailing the Pacer dinghies. This course is designed to teach the student how to make the boat go fast and introduce them into racing.

All our instructors are Yachting Australia accredited and most are youth dinghy sailors themselves.

### The way it works:

The courses will be based around the School Terms.

#### Through School Term:

Courses will be run on Sundays for 3 hours in 6-7 week blocks through the School Term.

#### School Holiday Courses:

There will also be courses running from Monday to Thursday, 3pm to 6pm, through the School Holidays

Cost: \$200 per student

### The sailing pathway:
