THE BOATS:

The Pacer dinghy is designed for two people to use together. More confident sailors or those with prior experience are paired with someone who may be less familiar. Our instructor is Yachting Australia accredited and is a Dinghy sailor herself.

THE WAY IT WORKS:

This course will run on selected Saturday afternoons for 4 hours for 5 weeks. This course is designed to progress your skill and confidence in Dinghy Sailing.

Once you have successfully completed the course, you are invited to sail at our Club events. Alternatively, when finished you can join the Mandurah Sailing Team. These people train regularly and aim to compete at regular sailing events.
